

TIGER WALK OF PRIDE

What is it? A brick walk way that is being built around the bell tower on the football field. A brick can be purchased and inscribed with your own personal inscription. It is a way to have a lasting memory of a graduate, a loved one, a supporter, or anyone who wants to be remembered at Hanson.

Why? A beautiful bell and tower was donated and erected by the H. Chris Ibert and Kirk Curry families to remember their loved ones. Bricking around the tower, TIGER statue, and into the football stadium is a wonderful way to frame the gift.

When? The project has been divided into 3 phases. The first phase was completed for parent night of 2008. New bricks are still being added. The next two phases will be completed when we enough bricks are purchased to cover the walkway.

Cost? \$50.00 per brick with up to 35 characters of inscription including spaces
